There are air bnb's available near downtown and some are walking distance to the Bella Vista and the LG Tap House. HOWEVER! Parking around downtown is \$4.00 an hour with hefty fines for not paying. Credit cards can be used for payment at meters. Where there are no meters on some of the side streets, it's free parking.

There are a lot of fun activities around the Lake Geneva area, but if you have never seen our beautiful lake, I highly recommend the Mail Boat Tour. Only a handful of places left

in the country deliver the mail by boat with a MAIL JUMPER! Check it out on Youtube: Lake Geneva Mail Boat. HOWEVER! This is one of the most popular things to do in the summer in LG. and

tickets need to be reserved well before the tour. Mail is delivered Monday through Saturday and the Mail Boat leaves at 10:00 am sharp. Sunday papers are delivered on Sunday..

If you are interested, tickets need to be reserved well before the tour. They are taking reservations already. Cost of each ticket is \$55.92, which includes the tax. *Hint:* guests line up for the boat by 9:00 am. Have a place holder and then get the coffee! And be on the right side of the boat (starboard), lower level.

I will be collecting the money for the dinner. Checks may be sent to:
